

THERMAL COATINGS INTL. INC.

If your company is looking for someone to provide you with yankee dryer grinding services look no further. We can provide you with grinding services to remove any surface defects or profile problems your dryer has. You can go back to making paper instead of worrying about maintenance. Our technicians have been grinding yankee dryers in mills around the world since 1980. We have the best grinding equipment available today and can provide you with the fastest, most accurate, and cost effective yankee dryer grinds.

Our grinders adapt to a variety of Yankee dryer grinding needs.

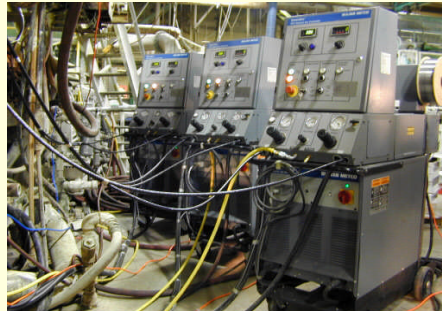

Yankee Dryer Grinding

From initial contact to the the completed grind we can provide you with top quality grinding services. Your machines will run better, and your production will be higher. "Grinding yankees isn't just what we do, it is what we do best."

We provide yankee dryer grinding and coating services anywhere in the world, 24 hours per day, everyday. We also offer many other services to the pulp and paper industry.
